

St. John the Baptist Anglican Church Lakefield

Vision Statement

We are a community of disciples of Jesus Christ who have embarked on the mission of revealing God's Kingdom. Together, we grapple with the big issues of life, learn about Christ's teaching, grow as we obediently follow Jesus, and fulfill his command to make new disciples. As imperfect people passionate about following Christ, we invite others to join us on this life-changing journey.

We regularly gather to joyfully and reverently worship God and share in his Word and Sacraments, warmly welcoming all who gather with us. Our diversity in life experiences and preferences in style of worship enrich the way we honour and thank God together. We rely on God for strength and direction so that all our actions are informed and enabled by prayer and the power of the Holy Spirit.

We enthusiastically embrace our role as ambassadors of God's reconciling and renewing work in the world. We engage with those around us to develop deep, authentic relationships that reflect the love of Christ. In compassion and humility, we serve others in our local community and beyond by helping them meet their needs and by offering ope.

Vision Summary

We are a worshipping community sent to love, live, and lead like Jesus.
